*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief of Logistics

FROM : Chief, Special Staff, LO

SUBJECT: Weekly Activity Report

DATE: 2 July 1953

1. Generalc. Headquarters Warehousing - (continued item)

Attended meetings in this office with Chief of Logistics, Supply, Real Estate, General Counsel, and General Services personnel with respect to outside improvements at [REDACTED]. This office was notified on 24 June that PBS of [REDACTED] could not negotiate a contract this year because the contractor could not obtain financing for the work. The matter was discussed with the DD/A, and the decision was not to attempt to complete the contract negotiation during this fiscal year. The course left open is to attempt to obtain the money through the normal PRC procedure during FY-54.

2. Projects and Studies in Processa. European Logistics Command - (continued item)

Approved For Release 2001/03/02 : CIA-RDP78-03991A000200020039-5

This staff worked on a new study to the DD/A, advocating the setting-

up of a Europe-Africa Logistics Support Command, and supporting such request with ~~with~~ reports of the Chief of Logistics on his recent Europe-Africa trip. This paper is now in the hands of DD/P-Admin. for concurrence.

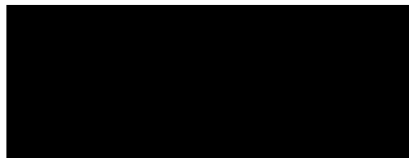

b. Proprietary Projects - (continued item)

Meetings were held with personnel of the I&R Staff, DD/P (charged by Inspector General with responsibility for review of these projects), in an effort to arrive at an agreeable working arrangement for the combined review by that Staff and the LO. The Acting DD/A assisted LO in securing agreement from Mr. [REDACTED] of I&R Staff, to permit LO to proceed with its part of the review at its own rate of speed.
